

1986 morts, 1895 blessés : 223 attaques terroristes au nom d'Allah les 30 derniers jours

écrit par Rocky Lélé | 2 juillet 2016

À vous, citoyen du monde, à vous plus encore, prétendu responsable éducatif, informatif, politique, qui charriez la charia comme de rien, que constatez-vous du bilan de ces trente derniers jours dans le monde, à part au niveau météorologique, footballistique et économique, de ces faits de déséquilibres que tout relie sur un point tabou à prononcer ?

Vous êtes d'avis que ce n'est pas encore assez tabou, et qu'elle est là, la solution ? Ou bien est-ce une sorte de fatalité et qu'on ne peut espérer meilleur destin ? Est-ce là le triomphe de la forme la plus intelligente de vie sur cette planète ? Ou encore l'intelligence ne serait-elle que le malin à vos yeux ? Rien ne doit-il donc changer, sinon le discours de celui qui dénonce le phénomène ?

Attaques terroristes mortelles au nom d'Allah les 30 derniers jours : 223 attaques, 1986 morts, 1895 blessés.
